6. As Director (EB) is going to visit to AP circle on 24 & 25th of Nov2023, all organizational issues need to be projected to CEC for presenting a memorandum.
7. Due to shortage of funds in association, all DS/DP's are requested to collect the amount of Rs.200/- from members who are interested to take diary 2024.

The DEC members have presented the following points on their issues & opinions on the agenda points.

1. DEC meetings are being conducted as and when required but not specifically (All District Secretaries)
2. Implementation of one network is not clearly defined by circle for monitoring it on 24 x 7. No uniform procedure is being followed. One network team should be exclusive and to be rotated for 24 x 7 basis. (All District Secretaries)
3. Coordination between Local Transmission team and CNTX team is less and needs to be improved. (DS VZM)
4. Duplication of work in case of reports submission to be reduced for better work output(DS SKM)
5. Laptops/PCs to be provided to the needy units for better discharge of the duties(DS SKM)
6. One to one transfers from TS circle to AP circle may be taken up as part of considering OTP(DS ATP)
7. Present SDE ELR & former SDE ATP Srikanth Reddy issue was raised for settlement at the earliest (DS ATP)
8. In Visakapatnam BA, staff working in MSC were posted for 4G saturation project on need basis but they are made as regular. The staff should be repatriated back to MSC. The posts in MSC are being planned for filling with other executives who have requested transfer to MSC against transfer policy (DS VSK).

9. From Visakapatnam two AGM L/A recommendations were sent to AP CO VJW but only one was approved, that too junior was selected.(DS VSK)
10. In 4G Saturation project at VSK, OFC was planned up to the nearest BBNL cable. It is learnt that there are so many fiber breaks in the BBNL OFC cable and those should be attended before the commissioning of the 4G sites (DS VSK)
11. CPAN equipment is not supplied since 3 years causing great inconvenience in extending backhaul to OLTs.(DFS VSK)
12. In VSK O&I is treated as separate entity and staff are continuing for years together without any transfers.(DS VSK)
13. Chittoor district body had expired 1 year back. Requested for convenient date for conducting AGM for election of new DEC.(DFS CTR)
14. GTR Submitted that CNTX DEC should be formed for better resolution of their issues. (DS GTR)
15. BBC is modified as BBM now. He is not exclusive. He is sole responsible for the shortfalls of TIPs and is made scapegoat.(DS GTR)
16. BB to FTTH conversions are generated without taking feasibilities. This is causing disconnection of the existing BB connection without any notice to the customer. Taken up with ITPC immediately. (DS GTR)
17. Dual band ONT should be supplied for better service and competitive to other operators. (DS GTR)
18. MAAN equipment should be commissioned before 4G BTS radiation to adjust the OFC power losses as per the dynamic range of the MAAN equipment. (DS VZM)
19. Huawei 2G BTS AMC is not available at present. These 2G BTSs are working in BAs VSK, RMY, ELR , NLR &ATP. Hence AMC should be provided to meet the customer needs. (DS ELR)
20. E Office is not implemented in all offices(up to SDCA level) of BA/OAs(All District Secretaries)
21. Diaries 2024 printing may be funded from circle fund. (DS GTR,DS VZM)

CVP1: Requested all the DEC members to become strong and make support to the new CEC for taking up the issues timely with the management. He opined that members should have commitment & sincerity in handling the member's issues. The DEC should empower themselves locally & empower the CEC.

CVP2: He wished BSNL should strengthen the transmission network which is the back bone of BSNL and stressed the importance of one network.

Response of CS to the points raised by DS/DP/DFS:
